After your registration request, you will receive your invoice. Please make sure to pay the invoice before attending the course. Otherwise, we will not be able to let you participate and might give your seat to another participant. In case of cancellation after receipt of our booking confirmation, 50% of the course fee will be charged. In case of later cancellation, 100% of the course fee will be charged. Substitute participants can be named at any time.

Equipment / Organisation

Please note the following recommendations for your online course:
• Update your ReluxDesktop version under https://relux.com/de/downloads.html.
• Working with two monitors gives you a better overview and enables you to work more efficiently.
• The ReluxCAD for Revit course requires a Revit installation and a valid ReluxCAD for Revit license. The participation in the ReluxTunnel course requires a valid license for ReluxTunnel.
